DIRECTORY SYMBOLS AND DESIGNATIONS

IN ADDITION to names and addresses, your City Directory contains much detailed information concerning the people of your community. In order to list this information certain symbols and designations have been developed which enable important statistics to be compressed into the smallest possible space. You will receive far greater benefits from your City Directory if you familiarize yourself with the symbols and what they stand for.

In checking credit applications, in conducting direct mail advertising programs, in planning sales campaigns, in building prospect lines, and in scores of other ways your City Directory will prove of invaluable assistance.

KNOW YOUR DIRECTORY SYMBOLS

Out of Sight! Out of Mind!
Out of Business! . . . . .

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. ***Insist on being well represented in its pages.***

"You're right, Anne...

It pays to call the Mutual Agent when you insure your home and car."

"It took Bill and I a long time to save enough to buy our home and furnishings—to pay for the new car. But it taught us to watch our pennies . . . *to buy carefully.*

"You'd be surprised to know how much we saved last year by buying mutual insurance . . . for everything. Our insurance agent recommended Grain Dealers Mutual as a good company to be with—one of the leading mutual companies operating nation-wide.

"You'll probably find, Anne, that you carry life insurance with a mutual company, but check up on your fire and automobile insurance—*don't overlook the opportunity to earn worth-while savings by insuring your home and your car in a mutual company.*"

Insure Against Financial Loss and Insure Your Peace of Mind

The three great State Farm Insurance Companies offer you a complete insurance service for practically every need, backed by a nation-wide reputation for **Service, Safety, Satisfaction** and **Savings.**

State Farm Mutual Automobile Insurance Company is not only the largest mutual automobile insurance company in the world, but actually the two-to-one choice of American automobile owners.

State Farm Mutual protects twice as many automobile owners as any other company. Savings to policyholders in cost of insurance alone exceed $75,000,000. Let us tell you more today about State Farm Mutual's famous **"more auto insurance for your money"** plan that has made it the leader in the business—and when you get ready to buy a new car, let us show you how you can save money through the State Farm Bank Plan.

The State Farm Life Insurance Company—one of the country's top one-third companies—offers you complete life insurance protection to satisfy your needs and your pocketbook. A State Farm representative will be glad to go over your insurance program with you, at your convenience, and give you counsel on how you can adapt your program to present-day needs, both for your family and your business.

In these days of increased property values, it is highly important to make sure that your insurance program is adequate and sound. Would you be willing to sell your home or other property today for the amount of the insurance which you now carry on it? If you own property in a fire-protected community, a **State Farm Fire Insurance Co.** agent will be glad to give you, without obligation, an analysis of your fire insurance needs and may be able to show you ways of avoiding heavy loss in case of fire, tornado, riot, civil commotion or other disaster.

FIND OUT WHAT'S IN THE NEWSPAPERS

We read THOUSANDS of newspapers for other people—every week.

If there are items in newspapers that would interest or benefit YOU —let our readers hunt them for you. That's our daily business.

Our coverage for the shaded area shown on this map is particularly intensive — including practically every paper (big or little) published in those states.

That's about 25% of the papers published in the entire United States.

Specific inquiries will enable us to help with a plan that will meet your press clipping needs. You'll find this sort of service unique, beneficial, and inexpensive. You'll not be hampered by any long time contracts.

Don't overlook the fact that our reading includes complete newspaper coverage of INDIANA. Orders may include any one state—or any combination of states. Territorial separation is made along state lines.

CASHIERS! TELLERS! CLERKS!

Do your employers furnish you with the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."
